Dear _____,

We are attempting to make a list of all of the elctricians who have served in the elctric industry in this valley.

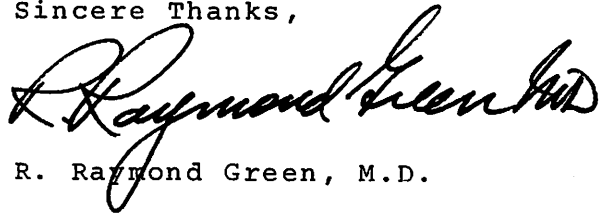

Enclosed is a partial list of the one's we could think of.

Could you please look this list over and make corrections and add anyone you can think of who should be on the list.

We will then retype the list and make proper additions and corrections.

Please return the list to me at my office.

Sincere Thanks,
